

FormaliSE 2027

15th edition

26–27 April 2027

Dublin, Ireland

International Conference on Formal Methods in Software Engineering

CALL FOR PAPERS

15th International Conference on Formal Methods in Software Engineering

Co-located with ICSE 2027

FormaliSE promotes work at the intersection of the formal methods and software engineering communities, providing a venue to exchange ideas, experiences, techniques, and results.

TOPICS INCLUDE

- Requirements formalisation and formal specification
- Verification and validation methods and tools
- Formal methods in the software lifecycle and model-based engineering
- FM4AI, AI4FM, and synergies between LLMs/Agentic AI and formal methods
- Correctness-by-construction, safety, security, and certification
- Scalability, case studies, experience reports, and usability of formal methods

SUBMISSION CATEGORIES

Full Research
12 pages

Experience Reports
12 pages

Research Ideas
5 pages

Vision Papers
6 pages

Tool Demos
4 pages

Posters
2 pages

IEEE format • Double-anonymous review
Artifact Evaluation and Open Science encouraged

IMPORTANT DATES (AoE)

30 Oct 2026	Abstract submission
6 Nov 2026	Paper submission
10 Nov 2026	Artifact submission
11 Jan 2027	Paper notification
15 Jan 2027	Artifact notification
29 Jan 2027	Camera-ready

ORGANIZING COMMITTEE

General Chairs

Stefania Gnesi,
ISTI-CNR, Italy
Nico Plat,
Thanos, Netherlands

Program Committee Chairs

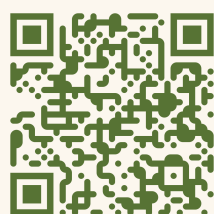

Alessio Ferrari,
Trinity College Dublin, Ireland
Alexandra Mendes,
University of Porto, Portugal

Artifact Evaluation Chairs

Pedro Ribeiro,
University of York, UK
Neea Rusch,
Uppsala University, Sweden

Web and Social Media Chair

Giovanna Broccia,
ISTI-CNR, Italy
